

## **Research, Measurement and Strategy 2023-24 Available Data Elements**

### **Demographics**

- Age
- Attendance
  - Number of days present
  - Number of days absent
  - Number of unexcused/excused tardy days
  - Number of days possible
- Discipline
  - Number of referrals
  - Number/length of suspensions (ISS or OSS)
- English Language Learner (ELL)
  - Classification code
- Enrollment/Withdrawal/Graduation
- Ethnicity
  - General category (White, Black, Hispanic, Asian/Pacific Islander, American Indian/Alaska Native, Multiracial)
  - Federal race indicators
- Exceptional Student Education (ESE)
  - Primary exceptionality code
- Free and Reduced Lunch information (per year)
  - FRL code (letter or number indicating eligibility assignment)
- Gender
- Grade
- Home language
- Retained student indicator (only active year)
- School of enrollment
  - School information (address, phone number, principal)

## Assessment

### *National/International Assessments*

- SAT/PSAT
  - EBRW and Mathematics
    - Highest score earned (student level)
    - School aggregate by year
- ACT
  - Reading, Mathematics, English
    - Highest score earned (student level)
    - School aggregate by year
- Postsecondary Educational Readiness Test (PERT)
  - Reading, Mathematics, Writing
- Advanced Placement (AP)
  - Test name
  - Test score
- International Baccalaureate (IB)
  - Test name
  - Test score
- Advance International Certificate of Education (AICE)
  - Test name
  - Test score

### *State Assessments*

- FCAT 1 Reading and Mathematics (2006-2010)
  - Developmental Scale Score (DSS)
  - Scale score
  - Achievement level
  - Content area/question group points earned
  - Fall retake and spring administrations available
    - Unless otherwise specified, spring administration will be used for all reporting
  - FCAT 2.0 retrofitted developmental scale score and achievement level (2010 only)
- FCAT 2.0 Reading and Mathematics (2010-2014)
  - Developmental scale score
  - Achievement level
  - Content area/question group points earned
- FCAT Writing (2006-2014)
  - Writing rubric score (0.0-6.0 scale)
- Statewide Science (2006-Present)
  - Scale score
  - Achievement level
  - Content area/question group points earned
  - Data are not available for the 2019-2020 school year due to COVID-19
- End of Course (EOC) Algebra I (2011-Present)
  - Summer, fall, spring administrations
    - Unless otherwise specified, spring administration will be used
  - Achievement level (2012-Present); retrofitted achievement level (2011)
  - Scale score (2012-Present); retrofitted scale score (2011)
  - Data are not available for the 2019-2020 school year due to COVID-19

- End of Course (EOC) Algebra II (2015-2017)
  - Summer, fall, spring administrations
    - Unless otherwise specified, spring administration will be used
  - Achievement level
  - Scale score
- End of Course (EOC) Geometry (2012-Present)
  - Summer, fall, spring administrations
    - Unless otherwise specified, spring administration will be used
  - Achievement level (2012-Present)
  - Scale score (2012-Present)
  - Retrofitted achievement level and scale score (2012 only)
  - Data are not available for the 2019-2020 school year due to COVID-19
- End of Course (EOC) Biology (2012-Present)
  - Summer, fall, spring administrations
    - Unless otherwise specified, spring administration will be used
  - Achievement level (2012-Present)
  - Scale score (2012-Present)
  - Retrofitted achievement level and scale score (2012 only)
  - Data are not available for the 2019-2020 school year due to COVID-19
- End of Course (EOC) US History (2013-Present)
  - Summer, fall, spring administrations
    - Unless otherwise specified, spring administration will be used
  - Achievement level (2012-Present)
  - Scale score (2012-Present)
  - Retrofitted achievement level and scale score (2013 only)
  - Data are not available for the 2019-2020 school year due to COVID-19
- End of Course (EOC) Civics (2014-Present)
  - Raw score
  - Scale score
  - Performance level
  - Data are not available for the 2019-2020 school year due to COVID-19
- Comprehensive English Language Learning Assessment (CELLA) (2008-2015)
  - Available student, school, or district level
  - Listening/Speaking, Reading, Writing
    - Points earned
    - Scale score
    - Performance level
  - Total
    - Total points earned
    - Total scale score
- ACCESS for ELLs and Alternate ACCESS for ELLs (2016-present)
  - Scores per subject
    - Listening, Speaking, Reading, Writing and Overall
- Florida Alternate Assessment (FAA)
  - Available student, school, or district level
  - Reading, Mathematics, Writing, Science
    - Growth level
    - Performance level
    - Scale score
- Florida Standards Assessment (FSA) (2015-2022)
  - English Language Arts and Mathematics
  - Performance level
  - Scale score
  - Data are not available for the 2019-2020 school year due to COVID-19

- Florida Assessment of Student Thinking (FAST) Reading and Mathematics (2023-Present)
  - Grades 3-10 English Language Arts and Grades 3-8 Mathematics
  - Performance level
  - Scale score
  - Percentile Rank
- K-2 Florida Assessment of Student Thinking (FAST) (2023-Present)
  - Star Early Literacy, Star Reading, and Star Math
  - Performance levels
  - Scale score
  - Percentile Rank
- Florida Standards Alternate Assessment (2018-Present)
  - English Language Arts, Mathematics, Science, Civics End of Course (EOC), Algebra I (EOC), Biology (EOC), US History (EOC).
  - Performance level
  - Data are not available for the 2019-2020 school year due to COVID-19

***Local Assessments***

- i-Ready (available through 2021-22 school year only)
  - Three assessment periods (Fall, Winter, Spring)
  - Scale score
  - Relative placement
  - Spring data are not available for the 2019-2020 school year due to COVID-19

**Course Enrollment**

- Course information
  - Course name
  - Course number
  - Course period
- Number of students enrolled
- Teacher information (type, ID masked to link to students)
- Final grade earned
- Credit(s) earned

## **Accountability**

### ***State Accountability (Florida School Grades)***

- School grade accountability components (Data are not available for the 2019-2020 school year due to COVID-19)
  - Achievement (English Language Arts, Mathematics, Science, Social Studies)
  - Learning gains (English Language Arts, Mathematics)
  - Learning gains of the lowest 25% (English Language Arts, Mathematics)
  - Middle school acceleration
  - College and career acceleration
  - High school graduation rate
- School letter grade (Data are not available for the 2019-2020 school year due to COVID-19)

### ***Federal Accountability (ESSA: Every Student Succeeds Act)***

- ESSA accountability components (Data are not available for the 2019-2020 school year due to COVID-19)
  - Achievement (English Language Arts, Mathematics, Science, Social Studies)
  - Learning gains (English Language Arts, Mathematics)
  - Learning gains of the lowest 25% (English Language Arts, Mathematics)
  - Middle school acceleration
  - College and career acceleration
  - High school graduation rate
  - English Language Proficiency (ELP) progress
- Federal Percent of Points Index (FPPI) (Data are not available for the 2019-2020 school year due to COVID-19)
